Dear Parents/Carers

We are delighted to announce that we, Anton Junior School, have achieved the School Games GOLD Mark Award for the 2024/25 academic year.

The School Games Mark is a Government-led award scheme launched in 2012, facilitated by the Youth Sport Trust to reward schools for their commitment to the development of competition across their school and into the community, and we are delighted to have been recognised for our success.

Our sporting achievements this year include:

- Reaching cross country county finals
- Reaching the semi final of year  $\frac{3}{4}$  football
- Participated at over 40 events in 24/25
- Over 90% of children have represented the school at a sporting event

With a total of young people competing in local inter-school competitions this year, we are extremely proud of our pupils for their dedication to all aspects of school sport, including those young volunteers, leaders and officials who made our competitions possible.

As part of our application, we were asked to fulfil criteria in the areas of participation, competition, workforce and clubs, and we are pleased that the hard work of everyone at our school has been rewarded this year.

A special thanks to all the staff at Anton Junior School for all their hard work in helping us achieve the gold mark and putting physical education, school sport and physical activity at the forefront of everything we are trying to achieve here at Anton!

We look forward to applying once again in 2026!

Yours sincerely

Mr Lovegrove
