Dear parents/carers,

This year we are embarking on a new adventure!

We would love to invite all of the children to take part in the Junior Duke Award.

To complete any level of the Junior Duke, each child must complete a selection of the challenges from their year group level. Once a child completes their selected tasks, they will be rewarded with a badge, and recognition in our Achievement Assemblies. The challenges allow the children to learn First Aid, eco knowledge, exercise, domestic challenges, budgeting, fixing punctures, building fires, baking, cooking, washing sheets, making presentations, knitting, litter-picking....all manner of things! We will be able to complete some in school using Forest School, Geography lessons, PSHE lessons or ECO team support and others you can do at home as a family.

The final level in the primary school is the hardest to complete so we will hold a special event for those who complete the Award in year 6. Further details for this will be sent out in the Summer Term.

The awards are as follows ...

- Bronze Junior Duke (Yr3)
- Silver Junior Duke (Yr4)
- Gold Junior Duke (Y5)
- Platinum Junior Duke (Y6)

The children will be able to join each year to attempt to collect all the badges as they move through Anton Juniors. Those in higher year groups cannot go backwards but can work towards their year group award and beyond from there.

The cost to take part is £5 per child. The PTA have very kindly subsidised this cost by 50%.

If your child is interested in signing up, please complete the Microsoft form below. Payment details will be provided once we have signed each child up.
