

Chairperson's report - 24th September 2025

Anton Friends PTA - AGM

Good evening. Thank you everyone for coming and welcome to the AGM of Anton Friends.

I will make this report very short and sweet!

As per my past two Chairperson reports, this year has seen a host of successful events organised and run by the PTA. The Christmas and Summer fayres have obviously been the headline events, but the Break the Rules events, discos, the Mothers and Fathers Day crafting, the Easter Egg raffle, Bags2School collections, Santa's grotto and the picnic in May have all contributed to the funds for the schools.

As I am stepping down from the Chair position, at this time I would like to say an extra special thank you to all who have helped with the PTA and running the events over the last year, and all the years that I have been Chair. Your efforts do not go unnoticed, and I really do appreciate all that you have done.

Thank you

Lindsay Nock
