FAQ

What if my child has a birthday while they are away?

Please let us know and we will make a fuss of them!

What will we do if your child is feeling homesick?

We will do all that we can to encourage them and chivvy them along. However if it becomes really significant then we will ask parents to come and collect their child.

We would also contact parents if any child was persistently behaving poorly and ask them to collect their children from the site.

Keeping up to date

- ▶ Please check our website. This will be updated each evening by Miss Culver.

<https://www.antonjuniorschool.com/year-4/>

- ▶ Check permissions on Arbor for photos.
- ▶ We will add a summary of the events of each day after the children have gone to bed. Please bear in mind our focus during the week is the wellbeing and enjoyment of your children – the staff will be on duty all day, every day, for 3 days so please understand that this will be our focus rather than updating the website. Be reassured that we will contact you if there is a need to do so.

Returning to school

We will aim to leave the centre around lunchtime so expect to return around 2.30pm.

Collection will be as normal at 3.20pm.

Parents/ Carers can collect the bags from the MADD room at this time.

If you want to find out more please have a look at the Grittleton website:

<https://www.grittleton-adventures.co.uk/activities>

This Powerpoint will be on the school website.

Thank you for coming
